# '60 BROCKTONIA

**Welcome** to the first issue of the BHS Class of 1960 newsletter.

Through this occasional publication, we hope to keep you informed about class news and activities leading up to our 50<sup>th</sup> reunion in 2010. (*See disclaimer at top of page 7\**). The news will come from you, so please send your news and story ideas to one of the 50<sup>th</sup> Reunion Committee members are listed on page 4.

## Mini Reunion at George's Cafe

Seventy members of the Class of 1960 gathered at George's Restaurant on April 15, to celebrate that the Class of 1960 is now eligible for Medicare. (Any excuse for a party.) Many were "first timers" who have not attended previous George's mini-reunions and most said they will be back for the next one.

Go to the attached link for photos that capture the moments of the evening.

### SAVE THE DATE!

The **next gathering** of the BHS Class of 1960 will be on Thursday, Sept. 18 from 5:30-8:30 p.m. George's Restaurant 228 Belmont St., Brockton.

Dress is informal. Guests are welcome. Cash bar. As in the past, we will pass the hat to cover the costs of the Italian buffet. (Usually about \$16-\$20 pp).

At that meeting we will provide details about our **50th in 2010.**

Good to see ya!

Hope you can make the 50th!

I'll be lookin for ya!!

**NOTE:** If you need to mail info at any time— send to: Judy Higgins Donohue

### Some interesting statistics:

115 classmates are living in Brockton

31 in Bridgewater

21 in West Bridgewater

20 in East Bridgewater

18 in the Eastons

46 on "olde" Cape Cod

34 in "sunny" Florida

121 are among the missing and 57 have passed on, resting peacefully

### "Retired or Working" Survey

Since 65 is the new 55 (or so we've heard) we are curious to know how many of our classmates are retired and how many are still working. So send us an email and let us know. Individual responses will be anonymous. We will report the results in the next newsletter. Check all that apply.

1. I am still working fulltime. \_\_\_\_\_
2. I work part time. \_\_\_\_\_
3. I plan to work until I am age 70 and maybe even beyond. \_\_\_\_\_
4. I am fully retired. \_\_\_\_\_

You can do a copy and paste to email your answers back to us or note your answers on a post card and mail it back. We appreciate your taking part. Feel free to add note on what you are doing.

## **Where are they now?**

**Bill St. Lawrence:**  
**Out in the cold—way, way out!**

Bill St. Lawrence is about as far away as one can get from Brockton High School these days. An engineer/geophysicist who specializes in polar ice, St. Lawrence is currently on the Alaskan Beaufort Sea Coast of the Arctic Ocean.

<http://www.cccarto.com/wmaps/northalaska/>

Bill spends about four months of each year in the Arctic, working on various engineering projects, which include overseeing the design and construction of ice roads, bridges and structures, monitoring tundra conditions, and interfacing between industry operations and state and federal agencies.

Bill earned an undergraduate engineering degree from Boston University, masters' degrees in engineering and geophysics from Penn State and Montana State Universities and a PhD in civil engineering from Montana State University. He is president and founder of Polar Alpine, Inc. an engineering firm headquartered in Berkeley, CA. Established in 1982, Polar Alpine specializes in work in the cold regions of the world, including the Russian and US Arctic. Prior to starting the company, Bill says, "I had been kicking around with an academic/scientific career and decided I wanted a little more excitement; so here I am."

The company's work includes ice drill design, engineering and escape, evacuation and rescue evaluations of Arctic off-shore structures, the design and construction-oversight of both on-shore and off-shore Arctic ice structures and a wide variety of environmental monitoring projects

When he is not chasing snowflakes, Bill and his wife Ana Maria divide their time between California and El Salvador.

Bill grew up in the Campello section of Brockton and attended West Junior High School.

## Where are they now?

### Donna Dart Denniston: A talented cellist

SPOTLIGHT  
CORNER

If you were a music-lover in high school, you probably remember Donna Dart. A talented cellist, Donna is still delighting New England audiences, performing with a string quartet and playing chamber music gigs with The Vermont Symphony. She was a member of New Hampshire's Granite State Symphony Orchestra for 13 years, retiring in 2007. She has also recently retired as chair of the string department at Concord Community Music School in Concord, NH.

Donna graduated from Boston University where she met her husband Brandt Denniston. After stints in North Carolina, Alabama and New Jersey, they built their "dream house," a log home on a hilltop in Springfield, NH. Donna's 92 year-old mother also lives with them.

The couple has three sons: one touring as principal horn with Phantom of the Opera; one who is a trombone player and music educator in New York and a third who is assistant chair of the Psychology Department at Appalachian State University in North Carolina. They also have two grandchildren.

Though retired from full-time teaching, Donna still teaches private cello students and performs throughout northern New England. While at BHS, Donna and three other classmates, Kathy **Monaghan** Cullinane, Pat **Iervolino** Kilroy and Ann Ruth **Jacobson** Lipman, were founding members of the prestigious Greater Boston Youth Symphony which recently celebrated its 50<sup>th</sup> anniversary.

<http://www.bysoweb.org>

Donna grew up on Grant Avenue in Campello, attending Huntington Elementary and South Junior High Schools prior to Brockton High School.

### *For the golfers in our group- this is for you!*

### **Subject: Sand Traps**

80 yr.old man who was an avid golfer moved to a new town and joined the local Country Club. He went to the Club for the first time to play, but was told there wasn't anybody he could play because they were already out on the course. He repeated several times that he really wanted to play. Finally, the Assistant Pro said he would play with him and asked how many strokes he wanted for a bet. The 80 year old said 'I really don't need any strokes as I have been playing quite well. The only real problem I have is getting out of sand traps.' And he did play well. Coming to the par four 18th they were all even. The pro had a nice drive and was able to get on the green and 2-putt for a par. The old man had a nice drive, but his approach shot landed in a sand trap next to the green.

Playing from the bunker he hit a high ball which landed on the green and rolled into the hole! Birdie, match and all the money! The Pro walked over to the sand trap where his opponent was still standing in the trap. He said 'Nice shot, but I thought you said you have a problem getting out of sand traps?' 'I do,' replied the old man. 'Please give me a hand.'

## HEALTH TIP

**STROKE: Remember The 1st Three Letters.... S.T.R.**

### STROKE IDENTIFICATION:

During a BBQ, a friend stumbled and took a little fall - she assured everyone that she was fine (they offered to call paramedics) ...she said she had just tripped over a brick because of her new shoes.

They got her cleaned up and got her a new plate of food. While she appeared a bit shaken up, Ingrid went about enjoying herself the rest of the evening Ingrid's husband called later telling everyone that his wife had been taken to the hospital - (at 6:00 pm Ingrid passed away.) She had suffered a stroke at the BBQ. Had they known how to identify the signs of a stroke, perhaps Ingrid would be with us today. Some don't die..... they end up in a helpless, hopeless condition instead. It only takes a minute to

read this...A neurologist says that if he can get to a stroke victim within 3 hours he can totally reverse the effects of a stroke .... totally. He said the trick was getting a stroke recognized, diagnosed, and then getting the patient medically cared for within 3 hours, which is tough.

### RECOGNIZING A STROKE:

You only need to remember the "3" steps- STR .

#### *Read and Learn!*

Sometimes symptoms of a stroke are difficult to identify. Unfortunately, the lack of awareness spells disaster. The stroke victim may suffer severe brain damage when people nearby fail to recognize the symptoms of a stroke.

Now doctors say a bystander can recognize a stroke by asking three simple questions:

S \* Ask the individual to **SMILE**.

T \* Ask the person to **TALK and SPEAK A SIMPLE SENTENCE** (Coherently)

(i.e. It is sunny out today)

R \* Ask him or her to **RAISE BOTH ARMS**.

*If he or she has trouble with ANY ONE of these tasks, call 999/911 immediately and describe the symptoms to the dispatcher.*

New Sign of a Stroke -----  
Another 'sign' of a stroke is this:

Ask the person to 'stick' out his tongue. If the tongue is 'crooked', if it goes to one side or the other, that is also an indication of a stroke.

## **TWO WOLVES**

*One evening an old Cherokee told his grandson about a battle that goes on inside people. He said, "My son, the battle is between two "wolves" inside us all.*

*One is Evil. It is anger, envy, jealousy, sorrow, regret, greed, arrogance, self-pity, guilt, resentment, inferiority, lies, false pride, superiority, and ego.*

*The other is Good. It is joy, peace, love, hope, serenity, humility, kindness, benevolence, empathy, generosity, truth, compassion and faith."*

*The grandson thought about it for a minute and then asked his grandfather:*

:"Which wolf wins?"

*The old Cherokee simply replied,  
"The one you feed."*

## Do You Remember.....

1. Who was the Dean of Girls?
2. Who was Headmaster?
3. Who was the coach of the Cross Country team?

This is a publication for and by old people—unpaid old people. As such, it is likely to have errors and omissions. Although our goal is to offer an error-free product, chances are we won't. So bear with us as we do our best to keep you informed of the latest news from the Class of 1960. There will be no specific publication schedule.. We welcome (*and need*) your input, so please send along any news you think would be of general interest to our class members. (We made this type really small to see how many of our classmates can still read small print.)
